

To whom it may concern,

Ousman Camara is a hard working, enthusiastic and active student, always putting his best efforts into his work.

He consistently produces a high standard of work and among the best students in his class, with above average grades.

Ousman Camara's ability to effectively manage his time has lead his projects always being completed on time and as almost always, to a high standard.

I believe Ousman Camara will be a good candidate for your internship program. He will be a productive and trustworthy intern.

Yours truly,
