## EXPERIENCE

### CPA

**Pristine Consulting, Gambia** Banjul  
January-2014 - April-2015

-After receiving confirmation from data entry, data is queried from the database, and sent to numerous printers for the printing of national IDs and permits, based on relevance and date.

### Intern

**Konya Su ve Kanalizasyon Idaresi (KOSKI)**  
Konya, Turkey  
June-2018 - August-2018

A summer internship at the computing department of KOSKI where I successfully completed a software project using java swing. Also learnt the basic use of Linux OS in the IT industry

---
